

Proprietary Director of Iberdrola Energía Sostenible España, S.L.U.

He holds a degree in Business Administration and Management from ICADE and an MBA from IESE (University of Navarra).

RELEVANT EXPERIENCE FOR PERFORMING HIS DUTIES

Director of Corporate Development of Iberdrola, S.A.

Member of other boards of directors: he currently also serves as director of Avangrid Renewables, Llc.

RELEVANT EXPERIENCE

David Mesonero has extensive experience in financial and strategic management of companies in the energy sector. Based on his expertise in capital markets, M&A and the design of different financing structures, he has been recognised as one of the 40 most influential leaders under 40 in the energy sector (Recharge4040 award). The magazine Wind Power Monthly also voted him one of the 15 most influential people in the wind industry.

He has been Chief Financial Officer of the Prisa Group. Prior to this position, he was Deputy Director of the Corporate Development Division of Iberdrola, S.A. David was also CFO of Siemens Gamesa Renewable Energy (SGRE) since 1 December 2018 and member of its Management Committee since the creation of SGRE, having achieved investment grade (BBB) from the main rating agencies and the refinancing of all its debt, always under sustainability criteria (ESG).

He has also been member of the Board of Directors of Iberdrola Renovables Energía, S.A.U, Iberdrola Renovables Internacional, S.A.U., Scottish Power Renewable Energy Limited, Neoenergía Renováveis, S.A, Iberdrola Australia, Ltd, Windar, Adwen (former JV focused on Offshore between Gamesa and Areva), and of Gamesa's regional boards in India, Mexico and Brazil. Prior to his appointment as CFO, he was General Manager of Corporate Development and Strategy, leading the merger process between Gamesa and Siemens Wind Power. Following this he was appointed Director for Integration doubling the synergy targets and member of the L3AD 2020 Management Committee. He has also been director of El País, Diario As and Santillana.
